Re: Town of Warren Uniform Dwelling Code (UDC) Ordinance

Dear Ms Budrow:

Thank you for submitting a copy of the Town of Warren building code ordinance which adopts the States Uniform Dwelling Code. The ordinance satisfies DILHR rules as stated in section ILHR 20.06 and is acceptable to the Department.

You may begin enforcement of the UDC using state permit forms, permit seals and procedures explained in ILHR Chapter 20. Your inspector, Brian E. Wert, should be familiar with this process. Your material order request will be processed and mailed under separate cover.

Sincerely,
